From global brands to small businesses, from celebrities to everyday grassroots givers, people will come together in a variety of ways to celebrate generosity, give back, and show kindness on [December 3, 2024 for GivingTuesday](#). It's about ordinary people working together to change the world. Help us inspire a wave of good by using your voice to help spread generosity.

About PALS SkyHope

At PALS SkyHope our mission is to provide free flights for medical patients and veterans that require diagnosis, treatment and rehabilitation. PALS flights ensure those in need of medical treatment in rural areas and/or low-income households can access healthcare regardless of location or cost. As a growing community we can eliminate transportation barriers together!

- I’m joining forces with @palsskyhope @PatientAirliftServices, along with people and organizations in nearly every country for #GivingTuesday—a global day of giving and unity that will take place on Dec 3, 2024. PALS SkyHope seeks to eliminate transportation barriers to care by providing free flights. Transportation is a basic but necessary step for ongoing healthcare and medical access. PALS believes that proper medical care should be a basic human right, regardless of income or zip code, and strives to ensure that all families can access the treatment and support they need.
