

Pilots using their skills for the greater good

# Volunteer Pilots Needed

SkyHope volunteer pilots donate their time, resources, and aircraft. Aircraft used by SkyHope pilots are typically non-pressurized, single engine, 4-6 seaters.

**Become a volunteer pilot today**

# Volunteer Pilots Needed

The sky's the limit for the lives  
we can help together

**Being a volunteer pilot requires  
access to an aircraft**

Pilots that do not have access to an aircraft  
may still serve as copilots/mission assistants.
