WESTCHESTER

GALA

Honoring a Founder. Inspiring the Future.

WESTCHESTER COUNTRY CLUB, RYE NY | OCTOBER 22ND, 2026 6:30–10:30 PM

Join us for SkyHope's Westchester Gala, an unforgettable evening celebrating 250 years of the American spirit of innovation, service, and leadership.

As we honor Alan Sheiness, recipient of the 2026 Richard M. Ruzika Flight of Hope Award, we recognize the vision of a founder whose dedication has helped shape SkyHope's mission and inspire hope for thousands of patients and families. SkyHope's mission - inspire healing and hope for thousands of patient families, including our Veteran flights that support those that have defended our country and enabled America to celebrate its 250th anniversary.

The evening will also feature Captain Charlie Plumb, a decorated U.S. Navy fighter pilot, Vietnam veteran, former Prisoner of War, and acclaimed motivational speaker. Through his extraordinary story of courage, resilience, and perseverance, Captain Plumb inspires audiences with a powerful message of hope, service, and the strength of the human spirit.

Every sponsorship and ticket purchased helps ensure that SkyHope can continue providing free medical flights to those who need lifesaving care.
